

New from  **Interactive Bible Reading Plan**

This daily Bible reading plan is enhanced with teaching videos. The schedule will take you through the entire Bible from cover to cover in one year. The 66 books of the Bible are divided into sections, and at the beginning of each section you will watch a video overview from the *Spotlight on the Word* series taught by Mike Vestal.

Video Enhanced

All of the **blue boxes** in the reading plan represent videos from the *Spotlight on the Word* (SOTW) series. The additional **red boxes** contain supplemental study videos. Every video listed is **freely available** from *World Video Bible School's* video website: video.wvbs.org.

How to access video:

If you are using the interactive PDF, then you can click the colored boxes to open the online videos. If you are using a printed copy, then you can access the free videos, by going to the website (video.wvbs.org) and searching the desired title.

DVDs and audio USBs are available from WVBS.org for the *Spotlight* series and many of the supplemental videos.
